

PUBLIC ADVISORY

Issued 21st August 2026 by the Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (PLAHI)

Scheduled Roadworks and Traffic Restrictions on the East-West Agricola Connector Road

The Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (PLAHI), in partnership with the National Roads Authority (NRA), advises the public that construction work will officially resume on the new East-West Agricola Connector Road on Monday, 24 August 2026. The work is expected to continue for approximately 12 weeks.

To support the safe and efficient completion of the works, the following traffic restrictions will remain in effect throughout the construction period:

- The road will be closed to all eastbound traffic.
- Westbound access for motorists travelling from Bodden Town, East End and North Side will be available on weekdays only, from 6:00 a.m. to 9:00 a.m.
- Motorists should expect delays and allow additional travel time, particularly during peak hours.

The area will remain an active construction zone. Motorists are urged to exercise caution, observe the posted speed limit of 25 mph, and remain alert for construction personnel, large trucks and heavy equipment operating along the route.

Once completed, the East-West Agricola Connector Road will improve connectivity and support the long-term development of the Eastern Districts.

MPLAHI and the NRA thank the public for their patience and cooperation as work progresses on this important infrastructure project.

About the Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (MPLAHI)

The Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (MPLAHI) is responsible for advancing national priorities across planning, lands, agriculture, housing, and infrastructure in the Cayman Islands.

Mission

To develop and implement integrated policies, programmes, and infrastructure solutions that enhance land use, strengthen food security, improve housing access, and support climate-resilient development, guided by innovation, equity, connection, and integrity.

Through strategic leadership and collaboration, the Ministry works to deliver sustainable outcomes that support economic resilience, environmental stewardship, and long-term prosperity for the people of the Cayman Islands.

About the National Roads Authority (NRA)

The National Roads Authority was created on 1st July 2004 by the National Roads Authority Act (2004). The NRA aims to enhance transport development in the Cayman Islands by building and maintaining a safe and efficient

Ministry of Planning,
Lands, Agriculture,
Housing & Infrastructure
Cayman Islands Government
