

PUBLIC ADVISORY

Issued 24th August 2026 by the Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (PLAHI)

Birch Tree Hill Road to Become One-Way Northbound

The Ministry of Planning, Lands, Agriculture, Housing & Infrastructure (PLAHI), in partnership with the National Roads Authority (NRA), advises the public that a section of Birch Tree Hill Road in West Bay will be converted from a two-way road to a one-way northbound road.

The new traffic arrangement will apply between Reverend Blackman Road and Stadium Drive and will take effect by Tuesday, 1 September 2026. A schematic showing the affected section of the roadway is attached for reference.

The conversion is intended to:

- Improve roadway capacity and traffic flow;
- Reduce potential conflicts between motorists and pedestrians;
- Enhance overall road safety; and
- Support smoother and more efficient movement through the area.

As road users become familiar with the new arrangement, motorists travelling through the area are reminded to:

- Exercise caution and remain alert;
- Observe all posted road signs;
- Adhere to the posted speed limits; and
- Follow the new one-way northbound traffic configuration.

MPLAHI and the NRA thank the public for their patience and cooperation during the transition.
