segment A - CUC Roundabout to Grand Harbour Roundabout (eastbound)																										contingent upon CUC pole relocates
segment D - Grand Harbour Roundabout to CUC Roundabout (westbound)																										widening along First Baptist
Kings Connector & CUC Roundabout Upgrades	BP 637																									
Design Drawings																										
CUC Roundabout Upgrade and Service Road Construction																										
Kings Parking Lot design and re-construction																										
Edgewater Way road and drainage upgrades																										
Linford Pierson Hwy Phase II	BP615																									
Design Drawings		75%		90%																						
Section 3 Gazette - Published 30th Nov 2021																										
Section 6 Gazette - Published 17th December 2021																										
Newspaper Ads for Section 6																										
Segment A - Agnes Roundabout to BBT Roundabout																										
Segment B - BBT Roundabout to BBT Traffic Signal																										
Segment C - BBT Roundabout to Outpost Street																										
Interim Traffic Relief Plan (temporary lanes)																										
BBT New Roundabout																										
Godfrey Nixon Extension	BP 591																									
Land Settlements																										
Segment A - North Church St to Diaz Lane																										
Segment B - Diaz Lane to Grescott Ln																										
Segment C - Grescott Ln to Eastern Avenue																										
Eastern Avenue/Godfrey Nixon Way Traffic Signal Upgrades																										
Airport Connector Road	BP 588																									
Burkes PPP Proposal 700 ft section of ACR																										PPP
CM Services Contract with DECCO																										
Base Fill Construction Segment 1																										
Geotechnical Services review for Segment 2																										
Construction of Segment 2																										
Gazette link road to Seymour Drive																										
Culvert Installation - Segment 1																										
HMA Paving (2 lanes) Segment 1 only																										
Frank Sound/Seaview Road Intersection Upgrade																										
topo survey & Gazettal																										
Public Tender																										
Design																										
add westbound turning lane, eastbound dedicated left, splitter islands																										
North Side Road/Old Robin Road Intersection Upgrade																										
topo survey & design																										
upgrade intersection vertical/horizontal profile and sightlines																										
Bodden Town Hurricane Shelter/Church of God Hall Parking																										TP76?
site survey & levels																										
base construction & Spray n Chip Surfacing																										
EVR Overhead Gantry Truss																										
truss manufacture & shipping to Grand Cayman																										
truss installation (2 locations x $150K each)																										subject to tender for installation
Commercial Avenue Reconstruction																										TBD
drainage, concrete works, paving upgrades																										TBD -pending gazette
Webb Road/Bronze Road Upgrades																										TBD
Gazette & topo survey																										TBD
base construction																										TBD
drains, concrete works, paving																										TBD
Eclipse Drive																										
PPP Construction Project - drains, concrete works, paving																										completed Feb 2022
Mcfield Lane																										
drains, concrete works, paving																										subject to new gazette - temporary surface in June 2022
Rex Crighton Blvd - four lane expansion (Poindexter to Hirst)																										
topo survey & design																										
baseworks, paving
