

# Red Bay Roadworks to Increase

From this Saturday, 2nd July, motorists, especially residents of the Prospect and Red Bay areas, will see an increase in work to reconfigure the Red Bay roundabout and enhance the east-west arterial.

While work is underway, one lane will remain open as usual, and the closed bypass lane will be re-routed to another road to maintain traffic capacity.

Work in this area is to be completed before the end of August.

To ensure the safety of NRA workers as well as road users, drivers should remain aware of the temporary changes, drive with caution, and pay close attention to signs indicating lane closures or diversions.
