

Public Meeting Survey

SAVANNAH GULLY
FLOOD AND STORM SURGE MITIGATION PROJECT

To better understand the concerns of the public, please take a few minutes and fill out the following questionnaire.

If you have already identified your known flood prone areas on the mapping, please feel free to skip to question #8. Flood Prone Area Identification Number (from the mapping): _____

- 1) In what community do you live? _____
- 2) Does your property flood? ___ Yes ___ No. If so, how often
 - During Regular Rainfall _____
 - Hurricane Wilma _____
 - Hurricane Ivan _____
 - Tropical Storms _____
- 3) Please identify your property:
 - Street Name _____
 - House Number _____
 - Most Recent Date(s) of Flooding (last four years) _____
 - Estimated Height of Floodwaters _____
 - Duration of Flooding _____
- 4) When was your house/business constructed? _____
- 5) Do you have any flood prevention measures in place on your property (walls, etc) and if so, what are they and when were they constructed?

- 6) Do the above mentioned flood prevention measures work? _____
- 7) Do the roads you use flood? ___ Yes ___ No
 - a) If so, please provide the following information:
 - Road Name and Location(s) _____
 - Most Recent Date(s) of Flooding (last four years) _____
 - Estimated Height of Floodwaters _____
 - Duration of Flooding _____

8) Are there drainage wells located on or adjacent to your property?

_____ Yes _____ No _____ Do Not Know

a) *If so, where are they located?* _____

b) *How well do the drainage wells function:* _____ Okay _____ Poorly

9) Are there specific drainage or stormwater related issues you would like the National Roads Authority to be aware of (i.e. roadways that appear to take a long time to drain, areas of regular ponding, etc).

10) Additional Comments

Thank you for attending! The Ministry of Communications, Works, & Infrastructure and the National Roads Authority are committed to involving the residential and local business community in this project. If you have any questions about the information presented, please contact:

Ms. Marion Pandohie, AICP, Transportation Planner
Cayman Islands Government
National Roads Authority (NRA)
