### **Shamrock Road – Left Lane for South Sound Road traffic ONLY**

The slip lane off of Shamrock Road going onto South Sound Road has been closed for safety purposes. Motorists will now be guided through the Century 21 roundabout with the outermost left lane **dedicated** to South Sound Road traffic. Please take note of this change, know your exit and pick your lane appropriately!

Motorists are asked to plan ahead and watch out for traffic diversions.

Members of the public can email [nra@nra.ky](mailto:nra@nra.ky) with questions or comments regarding this project. For any urgent questions or concerns please call 525-1251.
