SHEDDEN ROAD AND EASTERN AVENUE PAVING THIS WEEKEND - JUNE 3RD, 2007

NEWS DESCRIPTION

Paving will be completed on Shedden Road, weather permitting, by Sunday, 3 June, National Roads Authority (NRA) officials say.

Shortly afterwards, paving will commence on Eastern Avenue, from the Shedden Road junction to Delworth Cemetery on North Sound Road.

Neither of the two roads will be closed during Sunday's works, but motorists are nevertheless advised to take extra care when passing by these areas. The NRA appreciates the public's cooperation and understanding while staff members work to improve the road network.
