**PRESS RELEASE PR WORK TO COMMENCE ON THE NORTH SOUND ROAD CONNECTOR
OCTOBER 18TH, 2006**

NEWS DESCRIPTION

The National Roads Authority (NRA) wishes to advise the public that on Wednesday October 18th, 2006 work will commence on the North Sound Road Connector from the junction with Shedden Road (at the Caymanian Compass Center) to the Quincentennial Roundabout (Roundabout by A.L. Thompsons Hardware Centre). Updates on the progress of the project will be provided in order to keep motorists informed of possible interruptions to the routine traffic flow within that area.

Motorists are cautioned to take extra care when passing near the construction areas. The NRA appreciates the public's understanding whilst staff members work to improve the road network for all.
