**EAST WEST ARTERIAL ENHANCEMENTS**

**PROJECTS DESCRIPTION**

---

The NRA along with the Ministry of CPI is working to improve the commute for motorists coming from east during their morning commute as well as the drive home during their evening commute. These enhancements are part of a longer term project to widen the East West arterial. To date we have widened the Rex Crighton Blvd, Hurley Merren Blvd and multiple roundabouts, which include Dr. T, Red Bay, Century 21 (Grand Harbour) and CUC (Silver Oaks).
