
EAST WEST ARTERIAL – HIRST ROAD TO WOODLAND DRIVE

PROJECTS DESCRIPTION

The Rex Crighton Boulevard (formerly the East West Arterial) will be expanded by two miles from Hirst Road to east of Woodland Drive in Bodden Town.

Site clearing and preliminary filling has commenced - Topographical Survey and Final Design of Phase 1 (the section from Hirst Road to Woodland Drive) are in progress.

- Sub-base works to commence in early March
- NRA is finalizing design of the intersection of Hirst Rd and East-West Arterial, as well as options for the Intersection with Shamrock Rd at the eastern end of this segment.
- NRA are in discussions with the National Conservation Council to consider undertaking an Environmental Impact Assessment (EIA) concurrently with design / construction of Phase 2 from Woodland Dr to Lookout Gardens.
