New road layout at Bobby Thompson Way roundabout

The National Roads Authority (NRA) would like to notify the public of the opening of the new roundabout on Bobby Thompson Way on Monday December 11th 2023.

From Monday, 11th December 2023, the existing roundabout on Bobby Thompson Way will be removed, shifting traffic to the larger roundabout, however, it is still an active construction site. Not all lanes will be completed, so motorists are being asked to drive with due care and attention.

The NRA thanks everyone for their patience and support while we continue to work to improve the roads in this area.

Members of the public can email nra@nra.ky with questions or comments regarding this project. For any urgent questions or concerns please call 525-1251.
