

NRA 2021 FOI DISCLOSURE LOG				
Date	Status	Request	FOI Number	Outcome
25-Jun-21	Granted	Request for 2021 Minutes	92692	Granted- NRA 2021 redacted Board Minutes
20-Jul-21	Granted	FOI Request - Application for Planning Permission on 22D_320 and 22D141 Rem 12-Any information and documentation relating to the stormwater management system in the Red Bay area, including details of that system, its capacity, longevity and/or effectiveness, Communications within government and with the public regarding stormwater managemen in the Red Bay area including complaints about flooding in the roads or otherwise, any and all information and documentation to traffic congestion in the Red Bay area, specifically, the stretch of Shamrock Road between Prospect and the Hurleys roundabout, including any complaints about Traffic congestion in this area.	91549	Granted - Between May 20219 and March 3, 2021 NRA received two request for new drains in that general area, however, please note we do not keep track of complaints as you have requested as of this time. Traffic counts have been provided to applicant. No records exist for the documentation relating to the stormwater management system in the Red Bay Area.
22-Jul-21	Granted	Request for a record of tender documents, tender report and form of contract for the swamp excavation and filling going on across North Side Road from the Old Man Bay public dock and launching dock.	92924	Granted records of related documents provided as requested
23-Jul-21	Granted	Request the record of the most recent PCI for all roads on Grand Cayman	92921	Granted records, with the caveat that the NRA reviews half of the network annually (the standard is for a network to be covered in three years) and we are currently carrying out 2021 inspections so those aren't reflected in this report. Some private roads aren't reflected in the report due being gated communities or private subdivisions where the owners have expressed sentiment of not wanting NRA to trespass.
